Name: **Josué Gutiérrez**

County you represent: As the Board physician, I represent all five.

Current professional licenses, if any: M.D.

Brief professional/occupational background: I graduated with a B.S. in Biology and Chemistry from the University of the Ozarks in 2009. I later graduated from the University of Arkansas for Medical Science, College of Medicine in 2013. My family and I moved to Nebraska to complete my Family Medicine residency. During my time in residency, my wife and I loved living in Nebraska and decided to stay. After completing my residency in 2016, I started working at Saline Medical Specialties in Crete. I've continued to work in Crete and this spring will own the practice. In addition to working at SMS, I am also an adjunct faculty member at the Lincoln Medical Education Program

February 2017-Present: Founding partner/volunteer of the Healthy Community Alliance.

October 2013-February 2017: Volunteer at Clinic with a Heart

(more things but in AR)

Basic Personal Information: (children, interests, hobbies)

I met my wife while in college and we were married in 2012 during my last year of medical school in Arkansas. Though we had never been to Nebraska, after our first visit for my residency interview we really liked the area and decided this is where we wanted to live. We've been here since 2013. Our baby was born just last year (Jan 2018) and every day is a new adventure with her. We'll soon own Saline Medical Specialties in Crete and will continue to serve the community and PHS district!
