### Update on COVID-19 Cases in PHS District

Public Health Solutions (PHS) reports total confirmed COVID-19 cases within the district as follows:

39 confirmed cases in Gage County  
3 positive cases in Fillmore County  
284 positive cases in Saline County  
4 positive cases in Jefferson County  
0 cases reported in Thayer County

**Total for the PHS district: 330**

A review of completed case investigations has confirmed one hundred thirty-nine (139) COVID-19 cases to date have been associated with Smithfield Foods. This number includes employees only. As completed case investigations are submitted, totals will be updated.

PHS regrets to report the fourth death within the district. A male, in his 80s with underlying health conditions, passed away after a hospitalization for COVID-19 related illness. The individual was a resident of the second assisted living facility in Gage County to have reported positive cases.

Of the eighty-eight (88) test results received over the past two days, twenty-two (22) results were positive. This represents a 25% positivity rate. An additional two hundred eighty-five (285) COVID-19 tests have been completed through community testing events in Crete this week.
